From hotspots to hidden gems This is your guide to all things local The L A unscripted way from our sunset gower studio offices the Kansas City Chiefs versus the Philadelphia Eagles The Super Bowl blitz is on and his game day nears all eyes are on state farm stadium The Glendale Arizona gridiron about 370 plus miles from here What do you want to say Hi everyone I'm go Oh they didn't make it this year But remember this time last year when so by stadium was home turf Doug and I that stadium play back coach oh the glory days now Arizona is on the scrimmage line but before the tight pants and cleats compete with the coin toss for a kickoff DK and I huddle up and go along for an Eagles I look at Super Bowl City cheer at the big game I won a Super Bowl in the same stadium I didn't think I had a fear of heights for the big game Tailgate cheers but let's go now just because Super Bowl 57 is not in our backyard That does not mean you have to sit on the sidelines This Saturday at 11 a.m. Score big with KT a big game tailgate as we tackle this year's most fascinating football facts We have a world class facility with the uh State farm stadium State Farm Stadium opened its doors back in 2006 and you know what I learned it could see 63,400 people for football games and more for bigger events just being in that arena It's one in which you can hear the crowd and if they're on your side it's a great feeling I'd give it easy It's a top three place to play State Farm Stadium has the first completely retractable grass field in North America The whole field is on a giant track and it takes about 70 minutes for it to roll in and out The roof has retractable panels in the hot summer months They keep it closed in the cooler months open So we're the Pat Tillman Plaza and memorial Tillman was a former cardinal safety who left the NFL to enlist in the army after 9 11 Tragically he was killed in combat and this memorial honors his sacrifice This is the great lawn located directly across from State Farm stadium It's such a cool space This is where people tailgate they picnic they hang out before the games 12 marks Arizona's fourth time to land the nation's top sporting event and to get into championship shape The field recently received a \$150 million plus makeover and you know who fans could catch on the Super Bowl sidelines this season Philly football legend Donovan McNabb the retired Eagle Flew West and now calls Cardinals country home Everyone talks about their Super Bowl experience and everything that they enjoy and they always kind of go to the game I go every every day leading up into the game just the excitement It just felt like the breath of fresh air

Once you get one Super bowl you want two Super Bowls from chasing championships to shaking up the business world The Gronkowski brothers are now scoring touchdowns in sales with their protein shaker company Chris take me back a little bit and tell me what it was and why you decided to come up with this idea I was done playing in the NFL I was here in Texas it was super hot out went to the gym by the time I got there the bottle that I was using was a plastic shaker The sweating the sip of it it was warm and I just at that point it was like why isn't there something out there that can actually blend and mix powders but also keep your drink cold So we created this patented twist and agitator This will actually break up the powders It also twists right off making it super easy to clean But what people really loved about it was the fact that it works as a strainer as well They'll then also use it to party Uh It does work really well as a cocktail shaker So we got a shark tank It was six months into the company We had about 80,000 in sales We had our five year shark tank anniversary We've sold over a million bottles at this point Yeah that's just a start It's like winning a Super Bowl that's in the past Now You gotta go for the next one and then the next one I shaker dot com Get yours now and we are not done shaking things up yet A unscripted sneak peek at KTL A special big game tailgate is back before you can throw a flag on the play Gonna take me over hold on champagne Do you wanna fill your lips on they for you It she with the A fans are gearing up for the big game We're taking you inside Super Bowl city And Glendale Arizona has something for everyone My first year in the NFL was you know when they first launched the State Farm Arena So it's amazing to see the energy is crazy Hey big game tailgate I'm Cameron Colvin Never stop So growing up as a 49er fan as a kid you don't know what the magnitude of those players are You fast forward X amount of years and and having the opportunity to play for your hometown team was just truly amazing I've been in Phoenix since 2013 I came to rehab my ankle when I got hurt and it was just a beautiful city to be in It was very diverse in a sense We're about to throw some axes with cam I'm excellent When people come to Phoenix for the Super Bowl or just any time what are some must see things that they should do Food food and food You know whether you have Michelin Star restaurants you have your hole in the wall taco joints I'm a food guy So I'm always seeking the restaurant three What is your passion Now Now it's about business building teams and giving opportunities to similar people as myself Sum things up You were clearly the best Clearly obviously you hit the wood by accident You know music also helps you get your head in the game Now we get for

game day with a Grammy Award winning D J's big game Tailgate playlist You know more R and B a little bit of a little bit of rap hip hop here and there Yeah By Usher Crazy by Pitbull I listen to Yanni you know something that's inspirational motivational because of the position that I played music is really what sets the tone in life I won a Grammy for a song that's called Uptown Funk I remix this song and I'm very blessed It is the Super Bowl of Music whether it's a wedding you know another a birthday party or warming up for a big game pumping people up win or lose And music is a big part of that especially at halftime And this year one of my favorite people that I've worked with is performing at at halftime Rihanna I made a playlist The obvious thing is I I put a bunch of Rihanna songs in there I put big records to kind of like pump you up and get the party started It's called Big Game Tailgate You can find it on Spotify OK Who's excited for half time You know J Lo was one of my all time favorites I mean Katy Perry was awesome to the weekend was good also But now a local L A dancer who was in J Lo show she knows the drill I definitely think that the half time show is the most exciting part of the Super Bowl I think any dancer in the industry has a goal of dancing in a Super Bowl and I danced for J Lo in the Super Bowl in 2020 Behind the scenes preparation for Super Bowl is intense Crazy We rehearsed for about two months leading up to the actual game J Lo was there at every single rehearsal Big game tailgate It's time to play Ok Some more tailgate trivia for you Katy Perry's 2015 performance is the highest rated half time show yet And now from one iconic play to another time to huddle up I played in three Super Bowls The first one was here at the Rose Bowl was we played against the Minnesota Vikings Super Bowl 11 I watched the Super Bowl gone to a few It's kind of funny you get that that feel kind of comes back to you This is my son This is Solomon Lawrence Solomon designs This is the first time we feature this tracksuit custom design for my dad is gray and black which is reflective of the Raiders This is perfect for tailgate My name is Henry Lawrence And if you're not watching big game tailgate you are missing out So what team takes home The Lombardi Trophy I don't have any idea but what I do know the Cardinals home stadium in all of Arizona is stunning and trust me I am not full of hot air Dana Look at this skyline This is unbelievable Oh my God Look at all these balloons taking off behind us This is so amazing But is that how high it goes Oh yeah I can't wait Oh no no no I think I might have to pass this one off to you Dougie Reba Riders is turning 40 years old This year we fly about 45,000 passengers a year in Phoenix Albuquerque and Colorado Springs market And we're the largest

ride company in the United States Have fun Let's go All right Dana I see you're full of hot air Be up in the air for 45 to 60 minutes The scenery of the desert landscape is just stunning and the weather here we get 330 days a year that are flyable Probably about 70% of our guests are tourists that come on in We have wedding proposals We've done weddings anniversaries birthdays we've dropped ashes bachelorette parties Today's actually my birthday Um So when I was talking to sisters about wanting to celebrate we thought Venus was the perfect place You can't really beat us Sunrise What made you come here and want to do this Um I'm actually in town for a wedding and I was like I'm here I have to do something big Wait is that the historic Biltmore where big game and tailgate is staying I think I see Dana as far as getting a view of the North Valley area and all the way down to the stadium the State Farm Stadium This is a great way of doing it if you want to do this I'm going to encourage you to book early and you can finally check it off your bucket list Time out coach do not put me up there I'm scared of heights But what you can count on this weekend watching case a big game tailgate this Saturday at 11 join me and do cold for your all access pass to Arizona State Farm Stadium and all the tailgate the town has to offer We will and to be next you never know score We'll see you next time Nah
