

LA Unscripted | December 12th, 2022

From hot spots and hidden gems to lots of local flavor It's your guide to L A the unscripted holiday way this the season to go off script with us And tonight we've got lots of holiday fair Hello everyone I'm David Devin First up vintage toys in Huntington Beach So everybody that knows me knows I'm a big kid at heart So when I found out that just in Orange County there's a physical toy store with all sorts of cool stuff and collectibles from the fifties sixties seventies all the way to now me and my friend had to check it out I'm Kelly Jones and I'm the owner of Kelly's toy stop here in Huntington Beach California What do we have here These are the vintage Barbies These are sixties seventies few eighties These are really popular There's a huge following They just had a Barbie convention in Texas People collect them and it's hard to find So this reminds me of the toys that I used to play with as a kid I would sneak into my sister's room and take some of the Barbies when she wasn't looking I was obsessed with these as a kid Oh yeah they were good luck They're good luck and they have crazy hair Like me Most of our stuff is from it's fifties to to present but most of what we do right now is the eighties stuff It's very popular Power Rangers Ninja turtles E man and the three and three quarter inch G I Joe And of course Star Wars is always popular All right Kelly So show me the most expensive toy you have in the shop This is him right here Boba Fett So what got you into this What sparked your interest in toys and toy collecting Well I was a collector I started collecting I just said that's it I'm gonna quit and do this full time and I'm so happy I did Who wouldn't want to work with toys More gift ideas Now from our very own style smart guru anya if you're still making your list and checking it twice you're going to want to include all my style smart stocking stuffers Let's unwrap them OK We're ready the most important thing Let's do the kiddos first click So is a great alternative to screen time because it actually uses your imagination and all your senses click So combines the magic of Origami with the power of magnet You can turn to the pieces into 3D toys airplanes with a propeller Look at that It lets you build things like necklaces You can actually wear the great travel to another bonus is that clicks So comes in eco friendly packaging Great for mom great for kids Great for the environment Look at all the different things that you can build with click So and you know what when you get yours tag me in it so I can see all the creative things that you've built from gifts for the little ones to gifts for the whole family Mona is an abbreviation for Mother Nature

was formulated by a doctor They are cruelty free plant based vegan made in the USA does not use harsh chemicals yet It really does smell great for the kids You have the all natural deodorants and for the athletes in your life you have the hand deodorant Use my code style smart for 20% off your order Now you guys know me you know I love a two for one Well I have found a six for one This is the bowman living multifunctional steam oven Ok This thing steams it bakes it steam bake it air fries it grills and it dehydrates dehydrated man You know that holiday chicken you're trying to get perfect This thing will make it extra juicy But also you can bake bread in the same machine It's great for anyone in a dorm a home or an office retails for \$349 but do not worry use my code style smart for 10% off plus free shipping ok Even with the help of my bowman living oven I still manage to burn things when I cook There is nothing worse than the smell of burnt bacon in your entire house So what do I do You reach for Pury air freshener Now these are from the same people who brought us pourri which we all know works so well And I love these holiday scents they have but don't worry they also have a ton of scents for beyond the holiday I love Pouri products because they're nontoxic beyond the obvious stocking stuffer The pouri products are really cute gifts for hostess gifts and also my favorite a white elephant gift Now you can use my code style smart for 20% off any order more than \$20 And my last must have stocking stepper my secret weapon This holiday season is the Shunta Sharif magnetic lashes Now Ashta Sharif is a well known celebrity makeup artist who came up with magnetized put on this magnetic liner You wait three minutes to try and you pop on these magnetic lashes They're reusable water resistant vegan and cruelty free use code style smart for 20% off at a sh of beauty dot com And from your style smart Santa Happy holidays and if you've been really nice and it has another fabulous holiday deal please say you put me on the list I swear Ive been so good this year Ok No you absolutely have not And we all know that but yes I have something for you Let's go for in Beverly Hills at the Peninsula Hotel I am hosting this huge soft way that lots of celebs influencers Very important people This is doctor Nice to Ok Now get on the we're doing it You change your mind Soft wave is a great option for anybody who's having sort of the visibility of fine lines and wrinkles People are seeing some drooping underneath the chin some crepiness of the neck skin or some lowering of the brows but not everyone needs surgery So soft wave is a great way for someone to lift the area underneath the chin A great way to help with fine lines and wrinkles and a great way to lift the brow without surgery Ok let's

light this machine up like a Christmas tree create some heat using ultrasound energy And what that does is it alerts your body that the collagen has been damaged and it has its control damage control damage And then your body over the next month will start regenerating new collagen And that process really carries on for about six months which is cool Soft wave is great You can use it on any skin type very minimal downtime because there are no limitations in physical exercise afterwards You feel it gets hot for a second and then it's already kind of time to pass So not that So really no needles no bruising It's pretty amazing That was it we're done What that was It just like every treatment This is a treatment that doesn't last forever So think of it as like something we're going to do every six months to a year to just kick start that college easy peasy Ok Now what now they're a party because I saw one and coming up let there be light It's a dazzling display of color when we come back Welcome back to L A unscripted I'm and I've got a really bright idea about where to go This holiday season lights lights in every different kind of combination a huge array of colors their favorite holiday music all among the beautiful nature of the arboretum It's sort of the best of everything for the holidays Light scape is back for its second year in a row here at the L A arboretum and it is bigger It is bolder and it is brighter than ever before Light scape is a spectacular night out for the holidays uh here at the L A Arboretum in Arcadia And when you come to light scape you're going to see 18 spectacular experiences of light music and color set among the 127 acres of the Arboretum beautiful gardens towering trees waterfalls and really an amazing memorable night for the whole family for the kids Again young and old We have the disco jungle and you enter this area of you know these beautiful towering trees and suddenly the ground beneath your feet begins to light up this kaleidoscope of color and moving lights kind of looks like glitter on the ground And of course you've got your disco ball up there Everybody loves this I think my favorite display is something that's come back from last year A crowd favorite It's called the Winter Cathedral And it's a 100 ft long tunnel of light And in the Winter Cathedral I think it's impossible to take anything but a wonderful picture of your friends and family It just looks like everyone is dancing in a field of stars Another favorite uh aspect of the Winter Cathedral It's very romantic for the kids and for the kids my age as well We have our little campground and you enter and you find all of these Smores pits and for the grown ups we have glowing holiday drinks Light scape has it all Even Smore kits and these fire pits for the kids Oh my God This is going to be a good one What an absolute sweet

way to spend your time This holiday season we've been working on this about 10 months So a lot of thought goes into it and we have some of the best lighting designers from around the world presenting their best work to really experience lights Skype It's going to take well over an hour because it it's a mile long journey through our landscape You want to give it the time it needs and it is so amazingly rich full of surprises and wonders We're really thinking about Lights Cappe as L A's new holiday tradition and coming up how to dress for success This holiday season will be right back Welcome back to scripted I'm David Devin And we're tackling one of the toughest questions of the holiday season What to wear lifestyle guru Alison Day is here with the answers Oh my God I had no idea Hi Alison What in the world is this place Uh This is a new shopping experience at Amazon style and I thought we'd kind of find our holiday outfit here Amazon style is a whole new way of shopping because it's all about effortless discovery personalization and convenience They have a look at these little bags Shopping in Amazon style is unlike anywhere else because when you walk through the store there is only one item on display Open up the Amazon app you use the QR code to scan and it pops up that item and then you choose what size you want and then it might offer you different colors and that is sent to a styling room for you to try on and it will actually alert you when your styling room is ready Ok I already see like four things I want to try And how do we how do we get started first up Open up your Amazon app They have an area called Look Book and that is has a rotating curation of top influencers and stylist and they have created head to toe looks with a variety of different brands and you could scan the entire outfit to try on or just one or two pieces open up the scan there So I'm just going to go right here Oh my God It is So everything from this head to toe look is there And if you want to try the dress click on that Ok choose your size Oh Amazing Oh my God It says 5 to 9 minute wait for a room and then you just keep going So I'm going to add in the shirt Amazing It is so cool Let's keep shopping You're going to find beloved styles like Champion and Levi's You're also gonna find premium brands like Paul Smith theory Vince you're going to find some of my favorites like likely and DC BG You're also gonna find a lot of Amazon brands like Amazon aware Amazon Essentials Drop and some brands that you never saw in brick and mortar before like CRZ Yoga And this is really cool because this is a deal So you'll see them throughout the store So you can say oh I checked out the sales and deals These are additional ones and they're clearly marked for you Oh look they're bringing our that is our behind the

scene happening It's mine It's mine Bring it to me from December 14th through the 24 the more you shop at Amazon style the more you save So for example if you spend \$60 you're gonna save 20% spend more than that you're going to save even more My room is ready my room is ready Unlock my room unlock your room Let's go Oh my God Look come here stop it stop it right now Your name even spelled right with a Y So what it does is it has the pieces that you chose See these are pieces additionally you added to shopping So they're on their way to the styling room so you can click on it to the size of different color if we brought you to your styling room in just a matter of minutes The point is they never want you to have to feel like you have to leave the room The checkout process is super simple When you get up to the checkout desk you can use any credit card on your Amazon accounts or cash or any credit card you have with you just like that you're out the door I highly recommend this experience It's so fun It's just fun All this has been so much fun I feel like we should Cheers cheers cheers cheers Oh my God This is fun Thank you But wait there's more because our girl Kristen Wessel has holiday Must haves from chic time to get our shopping on with new deals from Kristen Wessel and she said that's why I have everything for moms and kids that they need this holiday season And we are starting with bunnies by the Bay specializing in creating the most comforting charming and thoughtful gifts for babies and toddlers From love These security blankets and stuffed animals They are sure to delight the little one in your life and all sets arrive beautifully gift wrapped in a signature holiday gift box Perfect for holiday season Next we have kids Roma boots that combine fashionable boots and philanthropy all in one for every pair of boots sold A brand new pair is donated to a child in need You can shop their adorable boots and support Children in Ukraine at the same time as they continue their goal of donating boots to Children who need the most Now for the little chef in your life Happy Grub is the only squeezable instant pancake mix made of natural and organic ingredients Their mix comes in four great flavors like yummy banana and apple cinnamon You can pick your flavor pour water into the bottle shake it up and squeeze it onto any hot surface The kid friendly squeezed hot bottles allow for easy pancake or waffle making without all the mess Next kids can dress up decorate create Imagine and explores s specialize in Worf inspired sustainable toys for Children The inspiring creative play with a wide variety of colorful place and other natural eco friendly w tos that can be combined with place for even greater imaginative reach The holiday collection in particular is a must have as it's

the Coziest collection of the year with great stocking stuff too And now for the new baby in your life the ruffraff baby sleep toy is the ultimate love that comfort soothes and promotes sleep with the magical and removable sound machine box It's taking the world by storm because it actually really works as well as being super cute This sleep to has been designed by moms for parents to support babies and toddlers with falling asleep and resettling through the use of sound comfort and routine and caretakers love that they're portable 100% washable and super soft for cuddle time with the pacifier safety strap And now for the moms that keeping mommy in mind course from mommy is perfect for the mom who was transitioning into motherhood Doctor is a licensed clinical psychologist with Paal training for mental health as well The lessons are short practical and available on demand and forever so you can get all the support you need and finally give the gift of jewelry for the mom who truly does it all Dainty and dagger represents stackable designs for every day in any occasion All of the brands designs are made in 18 carat solid gold and natural diamonds and color gemstones The brand strives to provide the highest quality possible for the price and they have beautiful unique pieces that everyone will love that Is it for a must have items for kids and moms This holiday season we have an exclusive deal for our KT A viewers Just enter KT A 20 check out for 20% off all of your purchase today You can also find more information at our website She exac dot com I love everything you brought today Thank you Ok So we've covered what to buy where to go and what to wear So how about what to eat Olivia is back with sweet treats and more It's the holiday season So you know what that means It is party planning time I don't know what I'm doing So I came to smart and final and brought the expert Paul Zan All right What are some of the first things you need to do when planning your holiday party Well my first tip is to prepare as much in advance as you possibly can I am about that buffet life So what you're going to do is you want to set up a little buffet station like I've done right here We have some knives and these are sun harvest They're compostable So better from other nature This is good This is very L A and then we also have a wonderful lux entertaining set here which is again a game changer when it comes to hosting any holiday So before food do you know what we need What do we need cocktails Hello cocktail talk So what I've done here is you want to set up again another fun little station so your guests can help themselves to cocktails So we put up a little menu here with a drink recipe We have this wonderful thing of gin big club sizes smart and final but no club membership We love that Should we make a little cocktail

Sure Poly jolly It is time for Tamales tis the season girl And they have everything you need to make the perfect tamales So let's chat about what we have going on here We have some corn husk we have some masa we have some chilies to spice things up and what you want You want to get something for everyone So the front row is bean and cheese Then we have some pork we have some beef we have something for everyone and then we also have some delicious ji cheeses So that's authentic Mexican cheese Absolutely delicious And then we have some delicious sides We have some delicious black beans We have some Mexican rice everything you need to win this holiday season Paul we did the drinks we did the party prep we did the tamales which is come on It's the time of the best part We have the mason jars because we have great host gifts You can put in little cookie mix do a diy cookie mix and drop it off for your neighbors for a holiday gift You know if you don't want to bake If you don't want to bake you can pop in and they have delicious already made baked goods Just making everything super easy while you're entertaining Right Because that's what it's about All right Paul Now that we have our holiday party essential it's time for my favorite part A champagne fountain race The person who gets to the last row wins Ok Are you ready I'm going to win You get set go Oh wait oh wait you got it You win I won Oh he never wins And he won this one Cheers to us It's later though Here's the ass off And that is all the time we have for tonight We hope you're having a wonderful holiday season We'll see you next time Good night
