

LA Unscripted | November 18th, 2022

It's the holiday season So don't be a grinch You guys It's your style smart gift guide The L A unscripted way Hi everyone I'm David and no resting grinch face here because for the next half an hour our style smart snow angel on your star is not open around So let's get right to it There's no place like home for the holidays right And if you want your home as magical as this Travis son and from Century City flower market has tips on how to deck your home Floral adding florals to your holiday Decor is a must to keep things fresh and fabulous Whether real or artificial they provide elegant textures to any tree or garland If you use real flowers you get the added bonus of your home Smelling incredible Come to Century City Flower Market and we have something for everyone's budget happy holidays Travis Thank you so much for making our L A unscripted holiday home so beautiful and he can help you to use code style smart for 25% off all online purchases So ok it is time for the ultimate decoration Sit up Oh I just flew in from Atlanta Georgia where I was visiting the Peach Skin Sheet Factory Oh what'd you bring us Uh Oh Oh Santa Karen Welcome to our holiday party Hi God So let's talk here about peach skin sheets Jasmine You have tried them you have them every day right I tried them I gifted them to people I love them if you've been looking for sheets lately and you go on Amazon No one no one has even a 20% of the color choices that you have I know I know we are so proud of all of our colors We try to have something for everyone Neutrals and Jasmine tell Karen tell us all the story about your mom She's a huge fan She made me give her the other day this like the this color the real teal She's all about like changing her linens all the time She does not play around She loves peach skin We have converted many a sheet snob I wanted everyone to be able to sleep on peach skin She not just a small segment And so with that in mind we made sure that you know hot sleepers could stay cool and cool Sleepers would stay cozy And that's another reason y'all why make such a fabulous gift And also Karen you don't have to know what size they are I mean that's the worst is trying to buy someone a sweater or pajamas and you get the wrong size or you don't know or you have to ask peach skin sheets come in sizes twin twin XL all the way up to KK which is great because you cannot find no you cannot find especially in our price I love that You guys also have the side sheets you have to cover like you can just have your whole be covered And I didn't know that Actually I had no idea about that I mean is there any other way to sleep You really have to I

didn't even know that like you can't make peach and sheets with someone else You have to agree You have to be in a peach skin sandwich right You have to be sandwiched in the softness But my question is how does it work How is it possible to have a sheet that keeps you cool and keeps you warm when you need it Well we use a smart fabric which is like it's it's an athletic braid performance fabric So it works with the sleeper and it works with your environment How do you do a 1500 thread count level of softness for the prices that you do Because it's shocking Yes I agree And you know one of our other goals was to make sure that this was affordable luxury for everyone that you didn't have to choose between a car payment you know uh and a wonderful set of sheets So we wanted to price ours you know right at about \$100 if not below for an entire sheet set But Santa Karen I I heard that you have a very special holiday discount code just for our viewers Yes you're going to receive 30% off any regular price sheet set Wow So 30% off at peach skin sheets dot com Yes Peach skin sheets dot com 30% off any regular price sheet set And that's what the code style so good Karen Thank you so much for bringing all of the L A unscripted viewers The gift of these wonderful magical life changing sheets and here in Atlanta peach skin sheets we say dream a little dream with peach skin sheet Thank you Cheers to the most wonderful time of the year Well from getting blitzed to a non alcoholic toast This is your style smart salute with Stella Rosa to raise your holiday spirit Ok Ladies who is ready to celebrate me Ok So here's the thing holidays are here right What do you serve What do you bring as a gift What you serve when you have people over There's two words Stella easy easy Stella Rosa is America's favorite wine It is fruit it is gluten free Yes it is low calorie and it comes in so many different flavors but I am personally excited about this brand new flavor Cranberry Ok I love it Cranberry Have you ever had a cranberry wine Perfect No but how perfect for fall so perfect and leading us into winter Right And so this is what I want to tell you guys is excitement Right They have the semi sparkling then they have the sparkling and that's the non alcoholic which is nice Yes So they have sparkling here and then they have a non alcoholic which I love for you know when you have guests over who aren't drinking the kids table Exactly And then this is really exciting They have a new brandy and their brandy comes in three different flavors Jasmine read me that flavor honey pea I have a tropical passion and that leaves smooth black berry flavored brandy Wow Like the Grinch's heart so good So Stella Rosa is so great because you know you can bring it as a gift you can have it at your house I love the gluten free part of it You never

know when you get free and vegan how old And I love it And you know cool about this too is you can drink it like in a regular wine glass You could put it over ice or you can actually make cocktails out of these Yes ST win dot com And of course we have a discount code 15% off with the code Grinch Just kidding style Close your eyes everyone eyes closed This is not a drill close your eyes Ok Jasmine Olivia Dana Oh my God Dana Careful It's me and me You guys didn't know I kept this a secret He was having sparkling I'm going to do this sparkling sparkling for you Thank you We're gonna do it OK We're all going to do the same and mine already has green fur in it I love the symbolism of that It's all the way up to my neck in alcohol I like that It's very subtle but I almost feel like you could put this over ice add some lime and make almost like a cosmo out of it because it's flavored But it's so delicious This to me is the ultimate holiday gift you bring as a hostess to someone's house and C is so talented She also does ornament You know this is a great gift for graduations for wedding She can do it all but I mean she pain it down to your accessories I'm going to keep this forever I love this No I need the oh I'm not a great this Snow Angel has more holiday here topped with style smart discount codes when this special all scripted is back before you can say welcome back to L A scripted Everyone I'm David Devin and our style smart snow Angel on your star is sharing her list Well I sure am and I invited celebrity approved to doctor A Sham band to our party ladies So I know Santa handed up these boxes but really they are all from our friend Dr Ava and they're all different gift boxes from skin five So Olivia do I go for Doctor Ava You got called the Glow Box But Santa I colluded on this actually So we did design a box specifically for you There's so much stuff in here So what you have here is a skin smoothing And so what is going to do is it going to your skin If you have tiny little hairs it's going to take them off So your makeup is going to go on smooth then you also have a very light peel here that's going to freshen up your face neck and hands These are vitamin C very stable forms an antioxidant It's going to give you a beautiful glow and you also have an anti wrinkle cream So when you get in from your party late at night that you'll be ready for your party the next day finally you've got the sunscreen jasmine Now I think the doctor has been looking at your Instagram with Santa and they see that you are on a lot of red carpets ok Now this is incredible So what we have here is the party prep box So this these eom tools this is to shape your brow yours look pretty good maybe you want to share and then you also have a brow mask So masks aren't just for the face They're also for the brow You also have eraser too because you don't

want to have any wrinkles if you're going to be going to party and you've got some vitamin C very stable for both under the eyes and on the whole face These are so important it helps to brighten the eyes and you've got one other thing in here that's super cool So this is an at home tool called my skin buddy that has three different colors of light and it's going to help stimulate your skin It also has a little vibration in it to drive skin care into the into your skin and it's going to give you that I'm ready to party glow my skin body Ok So you have the reverse time box Yes that means for the grandma this is an at home micro needling device Now at home micro needling has been shown to be effective to help reduce wrinkles improve skin texture This is a neck firming cream now that you need it No no I do But the idea is that we're going to help change the way time Ok And this is a reverse time box So this is going to reverse time on your neck The neck is the big area that I'm struggling with This also on the face Let's say you're going to an event Oh you want to have your makeup be super smooth It'll take off all those tiny little fuzzy hairs but it's also a beauty treatment too because it exfoliates That's correct And you've got the anti wrinkle cream there You go reverse time I cannot Thank you enough OK Doctor I read about this on your website because this is the at home germ box So what's fantastic about this box is that it's basically me inside of your gift box This is the clinic in a box So there's some skin care in here that's just for men So there's a special type of a soap And then another aromatherapy that's in here is peppermint shampoo and it stimulates the scalp right So for the men in your life and I think this is such a wonderful gift Ok Doctor Eva you have brought all the holiday magic today Now where can we buy these for everyone on our list These are for sale only online at skin five dot com and there's a big discount from the retail price And what's my discount 75% What Oh my God That's insane 75% off with our code style smart skin five dot com It is the best gift ever Thank you Doctor Dana I'm starving Have you worked up an appetite Absolutely OK Here Try one of these custom cookies I had made No you have to take the wrapper off OK Question for you Who is Rudolph's favorite celebrity Beyonce You know we all have really great chemistry No Reindeer games guys I have more discount codes under my wing You know nobody compares to you All will be right back Yeah You know with the hustle and bustle of the holidays A grinch can get herself hangry Well just in the Saint Nick of time Dana I am going to blow your mind Oh what is this Ok guys here is a great gift idea to spice up your holidays if you will Because this is a Mori hot sauce hot sauce You have my attention right And it's available at a

more sauce dot com Now what this is it's a really cool back story This woman came to America and she was an international student and she ended up she worked she was a waitress and she ended up buying the business from her boss perfecting the sauce over time People kept coming to the restaurant just for this sauce And so now she's turned it into a holiday gift box So there's three different kinds There's the eel the umami and the chili Oh you have my attention What you do There's also a vegan option I'm just going to mention So what you do is you can go online and you can customize your gift box and then she can wrap it up all pretty So you can do one of each you can do all three of them and really customize you know the gift of hot sauce Now here's why I love this as a really interesting unique holiday gift is because we're entertaining we're eating we're with friends and you know what the sauce makes everything a little spicier but not too spicy don't worry And there's variety I like that There's variety and it's also kid friendly because it's really not too spicy It's more about the spice than the heat If you had this on salmon with seaweed and rice Oh my God It's going to change your life So here we go Olivia you're going to try the eel Yes I am Now which one do you want to try sushi Roll e sauce Here we go It Spicy mayo mommy bomb And we even have lot because for to try a more sauce goes with everything I mean everything from Brussels sprouts to meat to French fries to tacos right You can really have it on any dish especially turkey You know it's great This actually is a really cool gift for someone that loves to cook Someone who loves to barbecue is someone who loves entertain host This gift is a great idea I just love bringing this pretty box as a hostess gift I think it's you know it's so simple yet She so this is the kami sauce This is the umami bomb and this is spicy mayo So this one is the chili mommy and this is Japanese peppers and tomato paste This one is the eel mommy sauce This is made with Japanese marin gluten free soy sauce and brown sugar You can order individually you if this is your favorite you can make a gift box with three of these Just your favorite one to customize and give to people I also love this brand because this is a woman owned business And you know we always love supporting the local Los Angeles women owned businesses like a I love this I know now you guys are hooked All you have to do is go to Moreau dot com and use my style smart for 10% off your order You can customize these boxes I don't know if we've made this clear These are amazing and go on everything I'm afraid you guys are just going to start drinking I had advanced pro tip I mix these two together Yeah it's it's a bomb that Let's see what else Santa brought Let's look Dana Grinch man This

makes my fur so silky and soft Everyone will love this cocoa But yes thank you so much for being here for our holiday party guys This is and he will She is the founder of Coco I love true Story Day and I first discovered about the last Mother's Day and since then it has been in my shower I used it this morning It is life changing and magical I'm so happy that you love it I was actually before we started I was like you know I need some because I'm so dry from this weather Well here you go Here I'm going to take some pass it around Let's pass it I love coconut So I love it It's super thick My skin loves to just drink lotion and I always need extra moisture So I'm in love with this Oh my gosh What's so nice about the system And this really truly is a system We have four products So I always start with the coconut oil scrub Um We use the husk of the coconut so there's no microbeads in it We kind of use the whole coconut in it Um And that really is going to help just sort of exfoliate your skin and then just prep your skin for the next three steps Um Once I get out of the shower I use the coconut body serum which is this one this is our brand new product that we just launched It's got fruit extracts and peptides that are going to really help firm and also take care of stretch marks and all the things So you know the way you treat your face is kind of how we treat our bodies So we go through the whole steps So then it's the serum and then it's the coconut butter mousse and then to lock it in It's the coconut body oil I love it Usually you see people with just a stand alone one product But the fact that you have a system is so similar like we do with our face it's for anyone that just wants a beautiful body care line So I was using coconut oil throughout my whole pregnancy and I came out stretch mark free and that was my aha moment where I needed to create something And let's talk about this as a gift Right So holidays are here already People are so hard to shop for Right People are just hard Right We we think we want to get them something and they already have it This is such a great gift because it's the perfect gift for someone who has everything They do not have Coco Baba No And I just think it's you know like the gift of skin is in and the gift of self care is in and you know this is sort of does it all for you So it's a bundle Um it's this is the Supreme bundle What we're doing what 50% off site wide breaking news Emma wait is that the discount What we're done 50% off what I'm sorry say it again So 50% off site wide This is with code style smart This is something special that we're doing for you guys because I just want to get this in the hands of as many people as possible And I just think it's such a great gift The Supreme Bundle is everything that you could also even though the body roller isn't included in that it doesn't matter because it's 50%

off site Why What a great tool and we are all Coco Hook now Thank you so much For coming to our holiday party Thank you for having me You're an angel So all anyone has to do is go to coco dot com Use our code styles for 50 That's right 55% off site Well that was fun It was so fun Thank you so much for sharing your holiday style smart secrets And where will we be next No way to know But I have to say on this little grin Heart grew three sizes today from all of this Thank you
