

## Shep Rose Reveals Which Real Housewife He Would "Shag" | BravoCon 2023 | Bravo

We are now going to take some questions from the audience from the beautiful and talented and just she's a vision of Money Ellis over here Oh dear It is hot over here like that But we've got some great questions for you What's your name And where are you from We can always give out more but I'm glad you gave his shirt back Sorry about that Go ahead Audience Hi My name is Lisa and my question is for Carl Carl my husband and I are also sober for about two years Uh Good for you Good for you Thank you Well we're just wondering if you have any strategies for hanging out with your buddies and hanging out in Vegas and being successful Well first of all congratulations That's amazing Um I appreciate you sharing that with us Yeah I mean listen it's it's a it's a lot here in Vegas Obviously I haven't been to Vegas actually this is my first time being in Vegas and not drinking Um but listen I I would say to you yes I would say to you It's amazing I would say to you like sparkling beverages you know just have something in your hand is always good for me Just you know it feels like you're a part of it take breaks go for walks outside get away from the noise sometimes and find other sober people to talk to you know come find me I've met a plenty of other sober people to so we can all be social and have fun So congrats Will you take a picture with me after Absolutely Thank you Oh that's so nice Definitely come up after Absolutely Hello Thanks guys for giving us all the entertainment and the love of a happily married woman I really appreciate you all So I'm calling from Spokane Washington and she I got a question for you Shag Mary Kill among the ladies of Bravo Oliver I don't really know a lot of it Three days my friend Ok I'll say this Gigi and I are very flirtatious I'll say that so And she likes weed a lot She smokes a lot of weed so I probably marry her so I could just be stoned and laugh and uh you're marrying her or shagging her marrying she has the we I'm just making sure this is a long term commitment from you Um Oh you know who's hot is Kyle Richards manager So I would shag her and I would kill everyone else Thank you Amazing Next question for us That was great Yeah that was good Hi My name is Jessica from Orange County And my question is for shorty you scared Go easy easy It's easy Have you yet or do you plan to also you don't look like a couch today Do you plan to cover up your bubba tattoo Um Never because that was such a special time in my life and it's sacred and I

still love Katie Not in love but I still love her And I cherish that time in my life unless she asked me to get rid of it That's she's the only person that would make me remove that tattoo by the way Thanks That's a great question Thank you This is probably the sweetest man on this I mean it really is He's really the sweetest gentlest soul Hi you guys I totally understand why my ex girlfriend wanted to hang out with you I was gonna say we're talking about she right being a Swedish gently So go ahead Hey guys I'm Annie Easton from Orange County as well Um My question is for Amir When Martha's Vineyard do we see a little love triangle action happening Which we always appreciate And so of the Bravo lebr that you've met this weekend who would you like to be in your little love triangle You want me to get killed But this man is running scared I am enrolling in the witness protection program after this answer Um If I had to if I had to meet or being in a love triangle with anyone I would say Erin from Real Housewives in New York Yes She's a hard worker She's very down to earth She's not like any of the other housewives Um she she's a she's a very kind was that shade to the other housewives Amir or like she's really smart and a hard worker Unlike anyone else this year I was like damn Amir spilling the tea I love it It's a good answer though It's a good answer Is there another one Yeah there's another one Oh yeah In the love triangle you have to choose 20 well yeah after all that shade on those other housewives one just wasn't enough You want me to pick two women We need a triangle Ok so I've got Aaron from Real Housewives in New York and then no Gelson you really have to go She would try and sleep with my brother my dad and my cousin Um Honestly I would have to go with page from Summer House She would she would make sure that I'm dressed to the there was no disrespect to Craig I know he would kick my disrespect him I know you will Oh I know you will Your dog is named Craig Ok Awesome Thanks so much Next question please Hi guys I'm Amanda from San Diego Great to see you all my favorite place in the world Carl congrats on your sobriety Um Since you've been newly single I've been thinking from my couch who would be the best Bravo Web for you to link up with and curious your thoughts on also Sober La la Um That's a crossover I wanna see I I'm I'm still kind of in this healing healing era right now I'm being completely honest I've I really want to focus on myself and kind of sobriety is a big part of that and take care of my mental health and transitioning and moving on to my next chapter You know I got a new apartment and just kind of slowly moving forward So you know down the line Sure I'll probably be open to that But I'm being completely honest you'd

be open to dating someone on Bravo Uh That'll be great for your I don't know I don't know But the second part la la I I've been inspired by La la and I've followed her journey and I'm so proud of her and I love that She's still a badass She still talks to her mind and she owns her shit So little sweet little spicy Right Exactly Right Exactly Right Next victim Hi I'm Jamie from L A and shorts I saw you last night we were talking about your friendship bracelets And so two questions I want you to talk about what it's been like making those for yourself and that shade love it And also I bullied him last night about this But also are you a swifty Jamie So good to see you again Um I went you guys I was on the fence and you know the Wildest dreams one of my favorite songs but you know I was on the fence and I went to see her at Sofi Oh My God She is a rock star Uh and I'm in Love Yabba Swifty That is amazing Let me sit in between you and Schwartz right now as I wrap up wrap up the show guys Thank you so much for watching Give these men a round of applause
