

## Need extra cash? This is for you

Buying things at garage sales and thrift stores and reselling them on ebay and Amazon So with 1000 bucks you have to go buy \$1000 at a garage sale and turn into 2900 Take that same 2900 with what you're learning Go to thrift stores dollar stores garage sales take that to 7007 to 14 with a little bag You can't be in investment mode You have to be in operational execution mode and that's what I did Literally I'm giving you advice I didn't still real So how do you think I figured out mud life I was like I see a lot of mugs at garage sales do mugs sell for anything Search on ebay mugs completed items sold sort by fucking price Holy shit There's \$88 mugs there's \$63 mugs There's \$96 mugs Then go buy a bunch of mugs for a quarter Come home look them up educate educate educate the key to flip Life is the homework you do during the week that you fucking then leverage on Saturday when you kill it with your fucking knowledge
