

Don't let indecisiveness hold you back #garyvee #shorts

Someone asked about indecisiveness I was crippled for you don't want to lose You want your narrative If you don't lose then you can keep having a narrative that you're as good as me and Elon Musk And like you can keep playing that game the second you do you have to accept it's why I'm so pumped to get older Like when I tell you one of the most significant videos I'm ever gonna make in my life is when someone else buys the jet because the video is gonna be like she did it better I just don't want you to regret You're going to be very unhappy in your seventies if you don't do But this is nothing right now when you're 7080 you just hid the whole time don't be scared You've got so much support I just don't want you to worry about anybody else's opinion Starting with your own
