

How to get 10% off your coffee #garyvee #shorts

When you go out to get a cup of coffee or tea or whatever it is ask for 10% off So like for the next 10 coffees that you get each time ask for a 10% discount You can't say you're doing an experiment You can't say that Tim Ferriss told you So you just have to ask for 10% off It doesn't matter if they say yes or not and just sit there and wait for them to respond Did you do this Tim Yeah What were the conversions It makes you more comfortable with discomfort and you also realize the downside is so limited Just respect the macro amazingness No no no What were the conversions Oh The conversions are surprisingly high 70% 7 of the 10 people at a Starbucks or Pete's coffee or some random place were like OK sir Yeah Or they're just like so stunned that they're like wait this is Starbucks and I'm like I know I would really appreciate 10% off and like half the time there's like OK OK guys Sure Yeah I don't want like I don't wanna I don't wanna fight this fight right Now So ok fine 10% off Yeah Knock yourself out
