

Why I haven't bought the New York Jets yet #garyvee #shorts

How close were you to buying the jets You know it's funny I might be further away from buying the jets right now than I've been for a long time because these values keep outpacing my earning capacity But I am deeply enjoying this 35 year mission I've been on in buying the New York Jets and I'm going to give it a real try here for the next 35 years And if I could sneak it in around the time I'm 80 given that math then I will be very happy But the process of trying is quite enjoyable
