Summary

In this video, the hosts of a show talk about something exciting that arrived in the studio. They mention that their show is available on multiple platforms. They discuss the idea of pulling a card but don't have the right one. One of the hosts mentions going to traffic court. They talk about creating a vision board and filling it with quotes, pictures, and desires. They also talk about M AM Studios and its offerings, including the chance to create talk shows, produce movies, and experience content creation. The importance of good projects for distribution is emphasized. The hosts mention the challenges of auditioning for roles and how doing something unexpected in an audition can make or break your chances. They mention working with Selena Ring and having a good eye for talent. They discuss making changes to their movie based on feedback and testing. Finally, they talk about the concept of 'Jewish by association' and how it originated.
