

# David Rubenstein talks philanthropy, work ethic, and the secret to success

<https://silosolo.com/477222>

## Summary

The video discusses the value of work ethic and its importance in personal and professional life. The speaker shares their experience of working hard to compensate for not being brilliant and emphasizes the importance of loving what you do. They believe that success comes from setting goals, working hard, learning continuously, and being a leader. In the financial world, the speaker looks for attributes such as goal-setting, hard work, teamwork, leadership, continuous learning, and personal happiness in new hires.
