Summary

The video discusses two different spa treatments: one at the Beverly Wilshire and one in West Hills. The Beverly Wilshire spa offers customized treatments and caters to high-end guests. The West Hills spa uses snail secretion and other natural ingredients for skincare treatments. Butter Skin is a skincare line designed for melanated and rich skin, and the founder was inspired by his own skincare journey and the importance of self-care in the black community.

Silo sample questions

- What are the key features of the spa treatments at the Beverly Wilshire?
- What are some of the ingredients used in the skincare treatments that use snail secretion?
- What inspired the founder of Butter Skin to create his skincare line?
