Summary

Palms Casino Resort is a newly renovated hotel and casino located in Las Vegas. It is the first Native American owned and operated Resort Casino in Las Vegas. The resort offers a variety of amenities, including spa visits, pool cabanas, great restaurants, and shows. They have unique and themed suites, ranging from a girls party suite to a basketball suite. The resort is not on the Indian reservation and aims to bring gaming hospitality to the Las Vegas community. They offer a loyalty program that can be used at their sister property in southern California. The resort is known for its great view of the Las Vegas Boulevard and its amazing fireworks display on New Year's Eve. There are different room options available, from standard rooms to luxury suites. The resort has a large pool complex with cabanas available for rent. It is also home to the Pearl Theater, a 2500 seat venue that hosts a variety of performances. The theater underwent a renovation in 2018 and offers a great viewing experience for all attendees. Palms Casino Resort is positioning itself as a reimagined experience and aims to cater to a wide range of guests. They are becoming known as the sports capital of the world with the addition of the Raiders.
