Summary

The LA Unscripted theater is a family-run open-air theater that has been rethinking Shakespeare since the 1970s. They offer a variety of plays and focus on community, education, and health. The senior citizen actors on TikTok have gained popularity with their unique content and have challenged stereotypes about aging. The Musical Lyceum offers a nontraditional music education system using a color-based notation system for the piano, allowing students to learn how to read music in just one minute.
