

# LA Unscripted | November 4th, 2022

<https://silosolo.com/107753>

## Summary

The transcript features segments about the 11 north restaurant in Westlake Village, Pseudo sneakers, the iconic East Los Angeles band Los Lobos, the Making Memories Festival, and the bamboo room nightclub. The 11 north restaurant is a hot spot serving New American Mediterranean cuisine. The menu is influenced by Northern African, Italian, Spanish, and Middle Eastern flavors. Chef Anthony is a Michelin star chef at the restaurant. Pseudo sneakers are eco-friendly sneakers made in the US from recycled plastic bottles. They are stretchy, sweat-absorbing, and water-resistant. Los Lobos is a well-known band that has been playing together for almost 50 years and gained fame with their multicultural sound. They represent Los Angeles and its diverse musical influences. The band is participating in the Making Memories Festival, a fundraiser for Alzheimer's research. The festival features local music and food. The bamboo room is a new and stylish nightclub in LA.
