Summary

The video discusses Misha's Kind Foods, a plant-based dairy company that offers healthy alternatives to dairy products. They have introduced a new flavor of cream cheese, plain cream cheese. The video also talks about a winery that focuses on blending, allowing customers to blend their own wine based on their preferences. The main difference between Tequila and Mezcal is explained, with Tequila being cooked in a pressurized oven and Mezcal being cooked in a pit in the ground with smoke. The video ends with the making of a Paloma cocktail using Global 1707 Mezcal.
