

Tony Woods' Possible Encounter with Bigfoot

<https://silosolo.com/830987>

Summary

The person heard and saw Bigfoot while on a training exercise. All the animals started running and the person felt skeptical about the encounter. The sound of Bigfoot was described as powerful, similar to the hair standing up on the back of your neck. The encounter happened in winter and the wind sounded like a train coming. The person made a joke about it and went back to the base.
