

What's Next for Tucker Carlson After Leaving Fox News

<https://silosolo.com/117950>

Summary

In a conversation between Joe Rogan and a viewer, they discuss Tucker Carlson's interview on Full Sand where he expressed regret over supporting the war in Iraq. Joe Rogan finds Tucker Carlson interesting and intelligent, despite disagreeing with him on many economic ideas. Tucker Carlson is portrayed as a unique figure in the media landscape, as he opposes the military-industrial complex and big pharma, and criticizes both the Republican and Democratic parties. He also called out Trump's lawyers for making claims about the Dominion voting machines without evidence, while criticizing big tech and intelligence agencies for undermining the Hunter Biden story. Joe Rogan hopes that Tucker Carlson will join the internet and potentially a platform like Rumble, as he believes it would be a significant move.
