

Dave Smith on the Pentagon Document Leaks

<https://silosolo.com/958646>

Summary

The video discusses leaked documents that reveal the presence of NATO and US military embedded in Ukraine, Western special forces operating inside Ukraine, and accusations of Ukraine's de facto membership in NATO. The person who leaked the documents was criticized for not properly vetting and disclosing the information. The main story in the leaked documents is the government's deception and the reckless handling of sensitive information. Putin's rationale for invading Ukraine was due to Ukraine's unofficial membership in NATO, backing a coup, and joint training exercises with NATO. The US responded by supporting Ukraine as a NATO country.

Government deception

Putin's rationale for invading Ukraine

US response to the invasion of Ukraine

Key Takeaways

- Some of the interesting revelations from the leaked documents include the presence of NATO and US military embedded in Ukraine, Western special forces operating inside Ukraine, and accusations of Ukraine's de facto membership in NATO.
- The person who leaked the documents was criticized for not properly vetting and disclosing the information like Edward Snowden did. Instead, he bragged about it to his friends on a Discord server.
- The main story in the leaked documents is the government's deception and the reckless handling of sensitive information.
- Putin's rationale for invading Ukraine was that Ukraine was brought into NATO unofficially, backed a coup that overthrew the democratically elected government, and had joint training exercises with NATO and the Ukrainian military.
- The US backed Ukraine due to their status as a NATO country and the obligation to support an invaded member.
