## Key Takeaways

- The speaker transitioned to the acting business after finishing college and realizing that he needed to have a plan B. He started as an extra in football commercials and eventually received an opportunity to audition for a role in a TV show, which turned out to be a game changer for him.

- The speaker described his experience working with Dwayne 'The Rock' Johnson as inspiring and positive. He explained that The Rock was a good person, easy to work with, and a true inspiration due to his ability to balance family, work, and business.

- The speaker's relationship with his on-screen partner in the show started off as challenging because they didn't know each other beforehand. However, over time, their bond grew, and they developed a strong friendship both on and off the screen. The speaker emphasized the importance of their bond and how they continue to check in with each other even after the show.

- The speaker faced challenges in the acting business, including the initial fear of stepping out of his comfort zone to pursue a career in acting. Additionally, he encountered difficulties in auditions and had to overcome self-doubt and nerves when working with new actors and landing his first major role.

- The speaker's main motivation and takeaway from his experience in the acting business were centered around the importance of seizing opportunities, staying true to oneself, and embracing the journey of growth and development in a new industry. He emphasized the significance of having a chance and how it can lead to life-changing experiences.
